# Victims Services Program

## DECEMBER

National Impaired Driving Prevention Month

December is National Impaired Driving Prevention Month.

Two of the most celebrated dates in December, Christmas Eve and New Year's Eve are also among the most dangerous.

Mothers Against Drunk Driving (MADD) teams up with law enforcement agencies across the country throughout the month of December.

Every year, they ask everyone to take personal responsibility during the holiday season by planning a safe ride home before the celebrations begin.

Designate a non-drinking, unimpaired driver.
